Company Overview

About Us

Explosion Proof Electrical Control is a leading provider of flameproof and explosion-proof solutions for a wide range of industries. Our team of experts is dedicated to helping our customers maintain a safe and compliant work environment, and we are committed to providing top-quality products and services that meet the highest industry standards.

Founded in 1996, we have built a reputation for excellence by consistently delivering innovative solutions and exceptional customer service. Our advanced manufacturing/ facilities and cutting-edge technologies allow us to provide reliable, high-performance products that are durable and long-lasting.

Our Process

Mission

"At Flameproof Manufacturing Company, our mission is to provide top-quality flameproof and explosion-proof solutions that keep our customers' employees, assets, and facilities safe. We are committed to excellence in everything we do, from research and development to manufacturing and customer service. We strive to be the industry leader in safety and compliance, and we work tirelessly to exceed the expectations of our customers."

Vision

"Our vision is to be the leading provider of innovative and reliable flameproof solutions, recognized for our commitment to excellence, safety, and sustainability. We aim to continuously push the boundaries of flameproof technology, developing products that not only meet but exceed industry standards. Through our dedication to customer satisfaction and our values of integrity, teamwork, and accountability, we strive to be the go-to flameproof manufacturing company for our customers worldwide.."
